God's purpose to save the World
and Man's attempts to thwart it

Israel

The Womb of the Kingdom of God on Earth

The Lord promises protection for His covenant people, and the fulfilment of His purposes through them, in the declaration: "I will bless those who bless you, and I will curse him who curses you." (Genesis 12:3) This is part of the Abrahamic Covenant, in which the Lord gave the Land of Israel to the descendants of Abraham, Isaac and Jacob as an everlasting inheritance. God decreed that they would be the people through whom His Kingdom on earth would be established. Volume I examines the major covenants in Scripture, in the context of their Hebraic roots, culminating in the New Covenant. This was ratified by the death, burial, resurrection and ascension of the Lord Jesus Christ.

"Israel—The Womb of the Kingdom of God on Earth" also traces what happens to nations, empires and individuals that came against the Lord's ancient covenant people and opposed His purposes for them, beginning with the Exodus from Egypt, and continuing through the Biblical era to the fall of the Roman Empire.

The DVD version is accompanied by brief Bible study notes for each chapter.
