

# **JUST LIFE at Hope Baptist Church**

**Peverell Corner**

**Sunday 5 February 2012**

Join us at 6:30pm for coffee and cake for a 7pm start

What's it like to be an asylum seeker?

Why are they here?

Are they here just for our benefits?

Why can't they work?

What should a Christian response be?

How can we make a difference?

**Jo Higson will present an interactive, myth busting presentation to inform and challenge us. All are welcome to join us to learn more and for stimulating conversation.**

*Jo Higson is a professional life and business coach, having many years' experience supporting people through transitions. She is currently Training and Outreach Co-ordinator with Devon and Cornwall Refugee Support and has previously supported asylum seekers and refugees to move forward with their lives as Equalities Lead for the Government Office for the South West and also worked with the Race and Diversity Action Team (RDAT) of the Home Office.*
